******Not One Size Fits All***

IDEAL 101

Foundations of Distance Education and
Blended Learning

IDEAL 102 Study Circle

Collaborating to address instructional or programmatic challenges

How did IDEAL 101 and 102 and the development and completion helped meet your program and DLAC goals?

IDEAL 101 & Site Plan Activities

- Team Building
- Gallup Strengths: Balconies and Basements
- Communication Skills
- Narrow Our Focus on Orientation
- Site Plan: Identify resources and materials needed
- Understand the value of our collective impact

Challenges

- ▶ Aligning Academic Calendars
- ▶ Faculty teach on AV Academic Calendar
- ▶ Sharing with Administration what OTAN/DLAC is and outcomes
- ▶ Securing Contract for DLAC participation
- ▶ Instructional supplies at AV
- ▶ CASAS Testing at AV

Accomplishments To Date

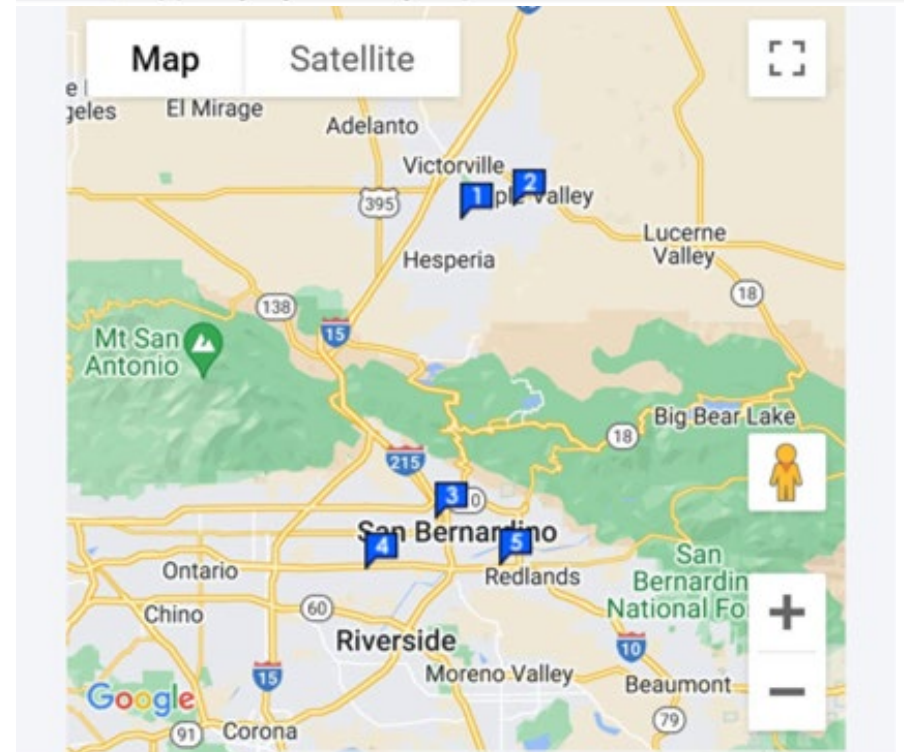

A dark blue diagonal graphic that starts from the bottom left corner and extends towards the top right corner, creating a triangular shape in the bottom right of the page.

VVC Adult Ed Team

- Noncredit Application amended to exclude residency status.
- Providing an ESL instructional program to an area that didn't have ESL.
- Official GED testing site location
- GED test Vouchers
- Cultural Events
- Orientations Completed: ESL and GED
- Victor Valley College hosted PD across consortia
- Improved collaboration and appreciation for our Apple Valley Team and vice versa.
- GED Math Tutoring Support

NEXT STEPS: IMPORTANT PART OF THE PLAN

ENGAGING STUDENTS

- In order to make our orientations successful, we will need to engage students in different ways. This is to create continuous learning and to empower the students in their transition to college.
