Accessing Your Classroom For All Learners Part 2 of 2

Photo AI Gemini

Participants
who want to engage all learners to the best of their ability.

WE WILL GO OVER:

Technology tools

Explore digital resources, accessibility equipment, and interactive platforms.

Guest Speakers

Gain insights and practical strategies shared by experienced educators.

Reading your learners

Understand individual needs, gauge engagement, and adapt instructions.

Technology Tools | Keyboards

Use of Big Keys

Backlight your keyboard

Braille sticker keyboards

Easy read stickers

Key guards

Big Keyboard and Key Stickers

Large Print Keyboards

Braille Key Stickers

High-Contrast Stickers

Why would you provide these?

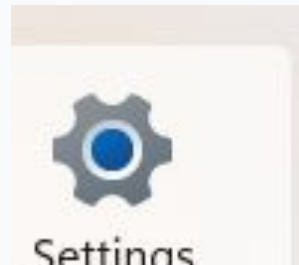

Keyboard Guard and Keyboard Tools

What's New! Hardware ▾ Software ▾ Clearance Sale iPad Apps ▾

Keyboard Guard

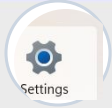

When would you use a keyboard guard?

Keyboard Settings

Has anyone used the keyboard settings?

Interactive Group Discussion

Things You Can Do in Your Settings

Light Up Your Keyboard

Change Your Cursor

Let's check out the settings

Types of Mice

1 Click Mouse

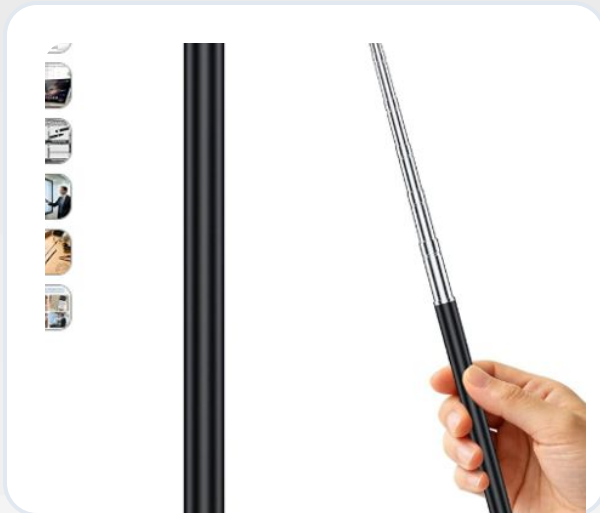

Trackball

Basic Mouse

When would you use these?

Stylus

Universal Use

The stylus can be used on touchscreens, tablets and phones.

Versatile Options

There are several different styles of these. This one has an extender on it — a nice option for many.

When would you use a stylus?

Classroom Seating Options

Adjustable desk

Headphones

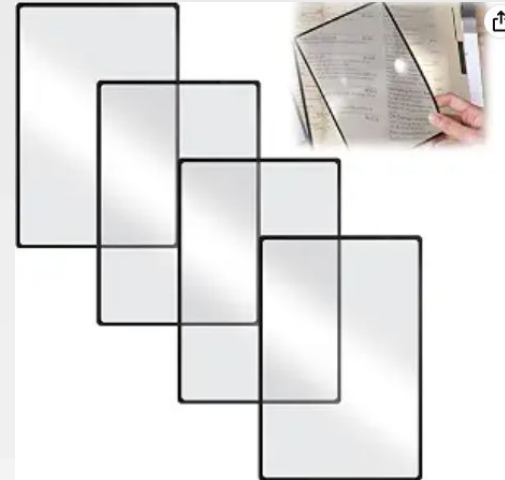

Learner privacy

How would you use these?

Visual Acuity

Laptop magnifier

Tablet magnifier

Document Holders

Large document holder

Small document holder

How would you use these?

Best Practices

01. VISIBILITY

Make sure your learner and Interpreter can see you

02. INCLUSION

Include your learner in the discussion

03. REST BREAKS

Interpreters need breaks

04. SCHEDULING

Make sure interpreters know your class schedule

05. ADVANCE NOTICE

Don't forget fieldtrip, holidays, sick days

06. FULL PARTICIPATION

Include learner and interpreter in all activities

[About ASL University](#)

Best Practices

01. PRE-VISIT PLANNING

Meet/contact guest speaker before to plan visit.

02. PRESENTATION FORMAT

Powerpoint is easy to follow.

03. CONCISE CONTENT

Information is not too wordy.

04. INTERACTIVE

Allows time for Q&A.

05. TIME MANAGEMENT

Ensure the session is conducted in a timely manner.

Given the information from this discussion and slides, let's help some learners...

LEARNER PROFILE 01: ANNA

Anna is a bit nervous and gets rattled with people around her.

She just wants to type things she reads from magazines.

DISCUSSION QUESTION

What would you do?

CONTEXT & MATERIALS

Magazines & Reading Preference

Google stock image

Given the information from this discussion and slides, let's help some learners...

LEARNER PROFILE 02: BILL

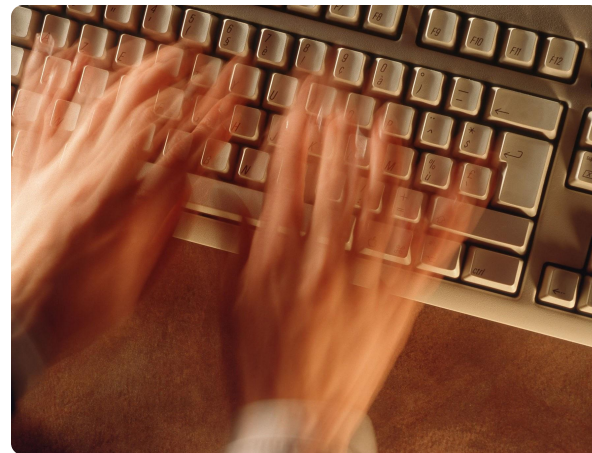

Bill is a very tall senior with mobility and hand dexterity challenges. Sometimes he wears glasses.

He would like to write a letter to his daughter on the computer, but may need help in starting the letter.

DISCUSSION QUESTION

What would you do?

CONTEXT & MATERIALS

Computer & Typing Assistance

Google stock image

Given the information from this discussion and slides, let's help some learners...

LEARNER PROFILE 03: SMARTBOARD SCENARIO

You discover your learner can't read during a game you're playing on a smartboard.

DISCUSSION QUESTION

What do you do?

CONTEXT & MATERIALS

Smartboard Game & Reading Strategy

Google stock image

We have discussed:

- Technology tools
- Guest speakers
- Reading your learner

Hopefully you will use 1 or two of these tools for your learners.

Thank you for spending your time in this session with us.

All images of products were found on Amazon.

Only 2 are not Amazon.
